RE: 2022 Scholarships

The Arizona Chapter of the American Public Works Association, in keeping with its objectives, will award one or more \$1,500 scholarships for 2022. Scholarships are presented to deserving students striving to complete educational requirements for a career path in public works. Degrees or Majors in Public Administration, Civil or Environmental Engineering, Public Works and Water Resources Technology Programs are examples of related fields of study. Career objectives may be in the public or private sector, but in either case must be associated directly or indirectly with public works matters or agencies. The deadline for the application is May 1, 2022.

Please see the attached application for more detailed information.

If you have any questions you can contact me at amcgennis@azagc.org or phone (602) 469-1373.

Sincerely,

Amanda McGennis

AMERICAN PUBLIC WORKS ASSOCIATION ARIZONA CHAPTER

SCHOLARSHIP PROGRAM

The Arizona Chapter of the American Public Works Association Scholarship Program is designed to assist those individuals who are pursuing a career in the public works field. Encompassing disciplines from engineering, public administration, Public Works and Water Resources Technology Programs, continuing education for career enhancement of public agency employees. This assistance in education promotes and ensures a continuation of the high level of skill, talent, and professionalism valued by every member.

For more than one hundred years, the American Public Works Association and its Chapters have striven for the advancement and continued development of all of the various components that make up the Public Works family. It is incumbent upon the membership of the Arizona Chapter to lend a helping hand to those who have chosen the public works field as their career. The Scholarship Program is an intricate part of achieving this goal.

The Arizona Chapter Scholarship Program will award up to three (3) scholarships which meet one or more of the following criteria:

1. **PUBLIC WORKS AGENCY PROGRAM:**
Awarded to either a full or a part-time employee of a public works agency who is currently enrolled in an academic program to enhance their personal and professional development for public works employment opportunities or advancement.
2. **ASSOCIATES IN APPLIED SCIENCE DEGREE PROGRAM:**
Awarded to a high school graduate who is planning to enroll accredited college or university, seeking an Associate Degree in a Public Works or Water Resources Technology Program.
3. **UNDERGRADUATE PROGRAM:**
Awarded to a college student who is currently enrolled and has completed at least their sophomore year at an accredited college or university, seeking a Bachelor of Science (BS) in Civil Engineering or any public works related field.
4. **GRADUATE PROGRAM:**
Awarded to a person who is currently enrolled and pursuing an advanced degree in Public Works Engineering, Management, Public Administration, or any public works related field at an accredited college or university.
